Hi Deanna,

Thank you for the conference call today to discuss the Rosemont Final Revised Mitigation Plan. In your email, you attached the Tetra Tech *Technical Memorandum Re: Rosemont Stock Ponds – Preliminary Potential Runoff Volumes Calculation* dated July 14, 2017. In preparation for our comments, Rob would like to share this particular document with Pima County. They are intimately familiar with the watershed and modeling and would be able to provide us helpful comments.

Thanks for your consideration. I look forward to hearing from you.

Best, Elizabeth

Hi Deanna,

Thank you for the documents. Did you also receive this report that is referenced in the stock pond runoff report? I would like to review it.

Best,

Rob
